**64<sup>th</sup> CLINICAL MEETING  
FREDERICK A. COLLIER SURGICAL SOCIETY  
Chatham, Massachusetts  
October 18-21, 2018**

**\*\*\*All submissions must be sponsored by a Collier Society member. Please note that we will not be able to accept member sponsorship for resident awards when member dues are more than a year in arrears. This applies to the resident research award and the traveling fellowship award. Also, abstract and interesting case submissions will not be considered for the program if the member submitting or sponsoring is more than a year in arrears.**

**Call for 2018 Clinical Meeting Abstracts (deadline May 6, 2018)**

Please review abstract format guidelines under [Call for Abstracts](#) on Collier website <http://www.collersociety.org/>. Link to abstract submission survey is found on the [Call for Abstracts](#) page. A CME disclosure statement must be submitted from each author listed on the abstract with the abstract submission. The survey link will ask for all authors and emails will be sent asking for CME disclosure statement. If the abstract is accepted and disclosures not complete by October 1, the abstract will be pulled from the scientific program.

**Call for 2018 Interesting Case Presentation Submission (deadline May 6, 2018)**

The submission link is found on the [Interesting Case](#) page. These should be cases that present either a diagnostic or therapeutic challenge. Please limit submission to 200 words, minimum 11 pt. font size. A CME disclosure statement must be submitted from each author listed on the presentation form. The submission link will ask for all authors and emails will be sent asking for CME disclosure statement. If case is accepted and disclosures are not complete by October 1, the case will be pulled from the scientific program.

**Call for Collier Traveling Fellowship Applicants (deadline May 6, 2018)**

Residency Program Directors, please submit your 3rd and 4th year resident Collier Traveling fellowship applications to the Collier Traveling Fellowship Committee. The intent and spirit of the Collier Traveling Fellowship is to provide resources to defray the costs (partially or entirely) of a *clinical* experience whereby (through the assistance and connections of your Collier Society member sponsor) you travel to another center and gain clinical experience through, for example, observing multidisciplinary clinics or procedures or interacting with leaders in your field. There will be six tours awarded; three for the University of Michigan and three for other institutions. Stipend is reimbursement of travel expenses up to \$2000. Receipts required. Application can be found on Collier website, [Forms, Information and Deadlines](#) page. This is a fillable form-please download and save to your device before completing. **Please include a sponsorship letter from a Collier Society Member with your application.**

**Surgical Research Fellowship Applications (deadline May 6, 2018)**

Please email or mail application to Corey Jessop. (contact info below). Application can be found on Collier website, [Forms, Information and Deadlines](#) page. This is a fillable form-please download and save to your device before completing. The grant is \$15,000. **Please include a sponsorship letter from a Collier Society Member with your application.**
